38" x 52"

This is a quilt of celebration for the life of my daughter, Ashley Sinclair McNutt-Kaestner. I had four miscarriages before Ashley was born, so her birth was a joyous occasion! As we attempted to have a second live birth, my discouragement and grief surrounding my infertility issues became overwhelming to me. The fertility drugs and procedures I was experiencing began to weigh heavily on my body and soul. One day I consciously chose to focus on the blessings I did have in my life, instead of focusing on the blessings I was still asking of God. This quilt is a result. It is a picture of one of the greatest joys God has given me - my daughter Ashley.

This quilt was published in Snippet Sensations by Cindy Walter (Doheny Publications).
